

HWH® Specialty Hydraulic Oil For HWH® Leveling & Room Extension Systems

We now offer two grades...

HWH22866

HWH® Specialty Hydraulic Oil

Specially refined for Low-Temperatures down to -20° F.

HWH47369

HWH® Low Temperature Specialty Hydraulic Oil

Synthetic Oil for Low-Temperatures down to -40° F.

HWH® Hydraulic Oil is a hydraulic oil manufactured exclusively for HWH Corporation, for use in HWH® Hydraulic Leveling Systems and Hydraulic Room Extension Systems.

HWH® Hydraulic Oil Features...

- Optimum frictional properties for smooth performance.
- Superior thermal and oxidative stability ensures long fluid life.
- Resistant to oil thickening, and hence, less fluid friction during the service life of the oil.
- Free of contaminants that cause lubricant breakdown, ensuring a longer lasting lubricant.
- Better pumpability.

HWH® Hydraulic Oil can be purchased from RV Dealers, Accessory Stores & Service Centers nationwide. Available in quart size bottles. For more information on HWH® Specialty Hydraulic Oil, please feel free to contact us.
