

# The HWH<sup>®</sup> SpaceMaker<sup>®</sup> Dual-Cylinder “Universal” Straight-Out (SO) Hydraulic Room Extension (with HWH<sup>®</sup> Synchronizing Cylinder)

HWH<sup>®</sup> Dual Cylinder “Universal” Room Extension\* is designed to simplify installation. New exclusive HWH Inter-Locking Chains\* are used to extend and retract the room. Plus provides the coach owner with a clean exterior finish.

## Features and Benefits

- Above-floor mounting eliminates the loss of valuable under-floor space.
- A heavy-duty room extension system for rooms up to 3,000 pounds.
- Movable room storage compartments. No more crawling under room to gain access!
- The room floor is suspended which eliminates the possibility of damage to the coach floor coverings.
- The Dual Cylinder “Universal” slide utilizes a four-point attachment, which draws all four corners in for a positive seal whether the room is extended or retracted.
- The HWH Synchronizing Cylinder allows for smooth, even extension and retraction of the room.
- No exposed hardware when the room is extended. The exteriors of the room and the coach have a clean, finished appearance.
- Ideal for use on galley and living rooms.
- The mechanism is easily operated with the use of a momentary switch.
